

BOOKING TERMS AND CONDITIONS FOR ANY INTENDED CRUISE AND CONTRACT OF CARRIAGE TO BE CONCLUDED WITH MSC CRUISES SA

1. INTRODUCTION

- 1.1 MSC Cruises SA ("**MSC**") of 12-14, Chemin Rieu, CH-1208 Geneva, Switzerland, provides ocean cruises ("**Cruises**") aboard ships departing and/or returning to ports within South Africa
- 1.2 MSC sells tickets ("**Cruise Tickets**") for the Cruises.. It does so in South Africa through the local offices and sales staff of MSC Cruises SA inc in Geneva Switzerland. MSC also sells other services ("**Additional Services**") which may be purchased in addition to a Cruise Ticket, such as excursions, flights and hotel accommodation provided by third parties ("**Service Providers**"). Notwithstanding that MSC may offer and sell "packages" incorporating Ocean Cruises, air and other travel, accommodation and excursions (such as the "Fly/Cruise" or similar apparently all inclusive packages), MSC remains the contracting party in terms of these Booking Terms and Conditions and the Contract of Carriage, only for the Ocean Cruise carriage portion or leg of such package and in respect of all other sectors or legs undertaken by other Service Providers and carriers, such services are provided by them as independent contractors on their own terms and conditions and MSC contracts with such Service Providers solely as an agent on your behalf,
- 1.3 In providing such Cruises on ships operated by it, MSC does so as the carrier ("the Carrier"), on the Terms and Conditions of Carriage and Passage of Passengers ("the Contract of Carriage"), which follows after these Booking Terms and Conditions and can be accessed at www.msccruises.co.za. The Contract of Carriage terms and conditions will be attached to and form part of the Cruise Ticket which will be issued and the carriage of any passenger on board the cruise ship, will be undertaken subject to the terms and conditions of the Contract of Carriage.

Please make sure you read and understand these STC's, the Contract of Carriage, the FAQ's and any other terms and conditions agreed with MSC, especially the provisions which are typed in bold print and/or have been specifically drawn to your attention. The Contract of Carriage may refer to and incorporate the provisions of the law of the country of the Carrier, the law of the place the contract is concluded, another chosen law stipulated in the contract and/or International conventions which may limit or exclude the liability of the Carrier.**
- 1.5 If you book a Cruise, or purchase a Cruise Ticket and/or any Additional Services, through a Travel Agent, you agree that the Travel Agent is your Agent and not the Agent of MSC. Accordingly money handled by the Travel Agent is handled on your behalf and not on MSC's behalf. The risk of loss of and/or theft of the money will be borne by you until the money has been received by MSC. In the event of the Travel Agent signing the Booking Reservation Form on your behalf, you confirm and warrant the authority of the Agent to do so and you agree to be bound by all the Terms and Conditions thereof. In addition the Travel Agent in so signing the Booking Reservation Form warrants his/her authority to do so on behalf of the passenger and that the Terms and Conditions were drawn to the attention of the passenger.
- 1.6 In these conditions and if applicable in the contract of carriage, the following words or phrases shall bear the following meanings ascribed to them –

- 1.6.3 "**Official Website**" means the set of related web pages, documents and hypertext links served from the web domain www.msccruises.co.za.
- 1.6.4 "**Package**" means the cruise, and flight(s) and or any pre-cruise and/or post-cruise arrangement for accommodation. It does not include shore excursions or shuttle services which do not form part of the inclusive Package price.

- 1.6.6 "**South African Cruise Season**" means cruises advertised to be commenced and completed to or from ports in South Africa during the period between approximately October or November in any one calendar year and March or May in the following calendar year, so for instance between 28 October 2014 and 28 March 2015 will be referred to as the 2014/15 cruise season, but in some years the season could be between November in the one calendar year and May in the following year.

the Service Provider. This means that you will have to claim directly against the Service Provider for any such loss or damage which you suffer.

- 2.6 Although MSC might not be able to state the identity of the Service Provider at the time when you book an Additional Service, all Additional Services will to the best of MSC's knowledge and belief, be provided by reputable Service Providers.

MSC shall within 15 business days after receiving your notice of cancellation, refund to you the Deposit and any other amount which you have paid to MSC for your Cruise Ticket.

- 5.4 The Passenger Registration Form completed online is governed by our Online Privacy policy which you are able to read and agree to before submitting your online Passenger Registration Form. MSC will endeavour to maintain confidentiality as regards your details provided to it or its agents by such electronic or other means, unless required to disclose the same by due legal process. The passenger manifests (passenger lists) containing personal information of the passengers travelling on board the vessel remains the property of MSC, is confidential and we are not at liberty to disclose any personal passenger information contained in these lists unless obliged to do so in law.

6. MAKING BOOKINGS FOR OTHER PEOPLE

- 6.1 By booking Cruise Tickets and any Additional Services for other people, you confirm that such other people have authorised you to accept these STC's on their behalf.

7. THE DEPOSIT AND REFUNDS

- 7.1 **MSC shall be entitled to stipulate and require that a deposit in respect of the cruise fare and other charges is made at the time of the reservation of the Cruise Booking and are entitled to impose a reasonable compensatory charge and a genuine pre-estimate of its damages and losses for the cancellation of the reservation in the event of you cancelling your Cruise Booking, which may entail the retention by MSC of the full deposit so made, or recovery of the full or a proportion of the cruise fare payable, to reimburse them for their loss of income, revenue and out of pocket expenses arising from or pursuant to that cancellation.**
- 7.2 Subject to the cooling off period in clause 4, any refunds referred to in these STC's shall exclude such retained portion or all of the Deposit.
- 7.3 **MSC shall be entitled to stipulate that an additional supplementary levy be imposed and that such supplementary levy be paid in cash or by credit card, prior to the embarkation of any passenger, as a reasonable compensatory charge and a genuine pre-estimate of its damages and losses for the non-arrival for embarkation of a co-passenger at the ship (hereinafter referred to as a "no-show"); to be levied on any passenger occupying the cabin for single use as a result of the no-show of a co-passenger booked and confirmed to travel with them in the same cabin; to reimburse MSC for their loss of onboard income, revenue and out of pocket expenses arising from or pursuant to that no-show and resultant consequential single occupancy of the cruise berth.**
- 7.4 **The amount of such levy shall be within the sole discretion of MSC and their staff at the port of embarkation but shall (without guarantee) be calculated with reference to the proven revenue otherwise earned historically during cruises of the equivalent of EURO 24 per passenger per day, or such other daily figure as to MSC appears just and equitable given the particular circumstances of any specific no-show, but not exceeding an uplift to double the shared cruise fare, or the equivalent of a fare for single cabin occupancy.**

7.5 Such supplementary levy shall also be payable in advance by the remaining passenger(s) in the event that a booking made for shared cabin occupancy, is cancelled by the co-passenger booked to share cabin occupancy, prior to the date of embarkation.

8. THE PACKAGE PRICE AND PAYMENT

- 8.1 The Package Price set out in the Booking Confirmation includes:
 - 8.1.1 the cost of the Cruise Ticket ("Cruise Fare");
 - 8.1.2 Service Costs for Additional Services requested to be provided by Service Providers as outlined in Point 2;
 - 8.1.3 A hotel service charge ("Hotel Service Charge"). (During your cruise you will meet staff throughout the ship, who provide you with an excellent service. They are supported by just as many staff and crew who work behind the scenes to ensure you enjoy every moment onboard.)
 - 8.1.4 port and baggage charges ("Port Charges") levied for the use of port facilities and the handling of your luggage; and
 - 8.1.5 a travel insurance premium ("Insurance Premium") for the travel insurance arranged by MSC as explained in clause 12 below.
- 8.2 The Hotel Service Charge is a compulsory charge levied for staff gratuities, expressed as a daily rate, the amount of which differs from cruise to cruise depending on various factors, but will generally be reflected in the booking confirmation. The applicable rate for the cruise for which you intend to book can be requested in writing from MSC. Whilst in the normal course this charge will be included in a package price and be pre-paid, if for any reason it has been omitted from the booking confirmation, package or lump sum price quoted and/or collected or pre-paid prior to embarkation due to any error or oversight, that Hotel Service Charge will be added to your on board account and shall be payable not later than prior to departure and disembarkation from the vessel.
- 8.3 If you book the Cruise Ticket and any Additional Services set out in the Booking Confirmation, you must pay the balance of the Package Price to MSC by the date specified in the Booking Confirmation ("Payment Date"), in cash or by electronic funds transfer into the bank account set out in the Booking Confirmation, or available from the MSC Cruises SA office where your cruise booking was made.
- 8.4 If you fail to pay the balance of the Package Price to MSC by the Payment Date, MSC may cancel your booking and may retain a Service fee for administrative costs.
- 8.5 Note that from time to time MSC will, as the date scheduled for embarkation on a particular cruise approaches, have some berths unsold and may for commercial reasons decide to offer special once off promotional fares, packages or add on discounted benefits to fill all unsold berths or cabins for that cruise, which will obviously be lower or apparently more attractive to passengers than the fares, packages or benefits originally advertised for that cruise. No booking already made whether the deposit has already been made or otherwise, can be transferred or exchanged for a booking relying on such a promotional fare or package.

9. OTHER SERVICE CHARGES ON BOARD A CRUISE SHIP

When you buy beverages on board the ship during your Cruise, an amount of 15% of the cost per purchase will be added to your bill as a gratuity for the staff who serve you your beverages.

10. ON BOARD ACCOUNTS

- 10.1 During the Cruise you may wish to make purchases from the on board shops, restaurants, bars and other outlets. All purchases made on board the Cruise Ship are made in United States Dollars ("USD") (save for the first cruise of the season heading Southbound from Europe to South Africa where all purchases will be made in Euros).
- 10.2 When you board the Cruise Ship you will receive an identity card ("Cruise Card") which is also used to pay for your on board purchases. The ship is a cashless environment and when making onboard purchases, you will do so using your "Cruise Card". (The onboard casinos only accept cash for gambling purposes)
- 10.3 All of your on board purchases are recorded on an on board account opened in your name. The full amount due for onboard purchases made is required to be paid before being permitted to disembark the Cruise Ship at the end of the Cruise.
- 10.4 You may link the Cruise Cards of other passengers to your on board account.
- 10.5 Before you can start making purchases using your Cruise Card, you must go to the relevant counter on the Cruise Ship to open your on board account. To do this you must give MSC your credit card

account details and sign a receipt permitting MSC:

- 10.5.1 to request your bank to authorise MSC to charge your on board purchases to your credit card up to an amount of USD250; and
- 10.5.2 if your on board purchases exceed USD250, for every USD100 or part thereof which you spend thereafter; to request your bank to authorise MSC to charge USD100 or part thereof to your credit card.
- 10.6 On the last night of your Cruise, MSC will deliver 2 copies of an invoice for your on board account transactions to your cabin. You must check the on board purchases recorded in the invoice and sign and return one copy of the invoice to the accounting office onboard. You may keep the other copy for your records.
- 10.7 Please note that the only amount which is deducted from your credit card is the amount reflected in the invoice. The amounts which the bank authorises MSC to charge to your credit card referred to in clause 10.55 are not deducted from your credit card account but are put on hold by your bank for a period of up to 15 to 20 days after the Cruise has ended so that there are funds available to pay to MSC the amount of your invoice.
- 10.8 If you would rather use cash to activate your account, you must deposit a minimum amount of USD200 per person (and USD300 per family) into your on board account and should your onboard purchases exceed the deposit paid, the balance due on your account must be paid in cash before you leave the Cruise Ship
- 10.9 You may not use your Debit Card, Cheque Card or Cash Passport to activate your onboard account. Where you have used any one of the above cards to activate your on board account (contrary to this prohibition) MSC will not be liable for any loss suffered by you as a result of your use of any of these cards and the onus will rest with you to recover any funds due to you from your bank.
- 10.10 You may not use your Cruise Card to pay for any activities which you participate in when you leave the Cruise Ship at any Port.

11. INCREASES IN THE CRUISE FARE

- 11.1 The Cruise Fare may increase in response to any increase in the applicable Rand/Dollar or Rand/Euro exchange rates or costs of fuel. Any increase in the Cruise Fare will be in direct proportion to the increase in such exchange rates and/or fuel costs.
- 11.2 The Cruise Fare will not change in the last 20 days before the date on which your Cruise is scheduled to begin, as long as MSC has received full payment of your Cruise Ticket.
- 11.3 If the Cruise Fare increases by more than 10% before the date on which MSC receives full payment of your Package Price, you may either:
 - 11.3.1 pay the increase in the Cruise Fare to MSC by the Payment Date; or
 - 11.3.2 cancel your Cruise Ticket booking by giving MSC a written notice of cancellation within no later than 3 days after the date on which MSC notifies you of the increase in your Cruise Fare.
- 11.4 If you cancel your Cruise Ticket booking because of an increase in the Cruise Fare, MSC will refund to you the Cruise Fare, the Hotel Service Charge and the Port Charges which you have paid, less the amount of the Insurance Premium and the non-refundable Deposit.

12. INSURANCE – (Not Applicable to South and Northbound cruises where all passengers MUST obtain their own insurance)

12.1 In return for payment of the Insurance Premium, MSC shall arrange for Hollard Travel Insurance to insure you for the events listed in the table below. Such insurance only covers you for the duration for which you are on a Cruise. Should you for any reason be regarded by Hollard Travel Insurance or their underwriters or reinsurers to be uninsurable, or insurable with a special deductible or proviso, this shall not constitute a breach of these conditions by MSC and is a matter to be resolved between you and the insurers and in the event of your being unable to resolve the matter, MSC shall be entitled to require you at your own cost to obtain alternative insurance cover.

The Cruise and Travel Route shall be deemed to have been completed when you disembark at the final port of destination.
- 17.3 In the case of a repositioning or other international non-coastal voyage or cruise, or in the event of a package or multi-modal inclusive travel booking, then the Cruise Travel Route shall be deemed to have commenced when you have cleared through passport control and entered the international departure area in the country of your domicile or the departure point for your pre-cruise travel arrangements if covered in your booking, for the commencement of international travel by air, train or other means of conveyance in a multi-modal package booking.
- 17.4 The operation of the Cruise Ship is affected by weather and sea conditions, mechanical problems, duty to assist ships in distress, instructions of the Port and other authorities relating to departure and/or arrival and/or stoppages, the availability of Port facilities, and other factors which may be beyond MSC's control.
- 17.5 For these reasons, the date and/or time at which the Cruise Ship is scheduled to sail are approximate only and may be delayed for reasons beyond MSC's control.
- 17.6 MSC does not guarantee that the Cruise Ship will be able to depart the port of embarkation on or at the scheduled date or time, or at all; and/or call or stop at the Ports at which it is scheduled to call or stop; and/or that you will be able to go ashore on a planned shore excursion during the scheduled Travel Route; and/or that the Cruise Ship will travel along the scheduled Travel Route. MSC may change the Travel Route and/or Ports at which the Cruise Ship calls or stops if the master of the Cruise Ship ("the Master") considers it necessary to do so for any of the reasons set out above.
- 17.7 If for any reason, the Cruise Ship is unable to sail the Travel Route, MSC may transfer you to another ship or to any other mode of transport bound for the destination of your Cruise.
- 17.8 If the Port from which you are scheduled to board the Cruise Ship is changed by MSC, MSC will at its cost arrange for you to be transported to the Port at which you are required to board the Cruise Ship.

- 17.9 MSC shall not be liable for any loss or damages which you may suffer if for any reasons beyond MSC's control:
 - 17.9.1 you have to board the Cruise Ship at a different Port;
 - 17.9.2 the time or date on which the Cruise Ship is scheduled to leave a Port is delayed or if it is unable to depart a Port at all for reasons beyond its control and is obliged to remain moored alongside a berth or at anchor;
 - 17.9.3 the Cruise Ship is unable to stop at a scheduled Port or anchor or stop to permit you to go on a scheduled shore or other excursion, or once stopped at a Port, you are unable to go ashore; or
 - 17.9.4 the Cruise Ship is substituted by another ship or mode of transport.

18. VISAS AND TRAVEL DOCUMENTS

- 18.1 You must have a valid and appropriate passport and if necessary, a valid and appropriate visa or permit (collectively "Travel Documents"), for all scheduled Ports at which the Cruise Ship is scheduled to stop for the duration of your Cruise.
- 18.2 MSC is not responsible for ensuring that you have all necessary Travel Documents. You must present the necessary Travel Documents for inspection as required on entering and exiting any Port.
- 18.3 You shall be liable to MSC for any fines or penalties imposed on MSC by any authority at any Port if you do not present the necessary valid Travel Documents for inspection.
- 18.4 MSC may at any time request to inspect your Travel Documents.

19. CRUISE TICKETS

Provided that MSC has received full payment of the applicable Package Price, at least 14 days before the date on which your Cruise is scheduled to begin, MSC will send you "Cruise Tickets" - containing all necessary tickets for your Cruise and any Additional Services which you have booked, and setting out the applicable dates of your Cruise and Additional Services.

20. CONDITIONS OF CARRIAGE AND VARIOUS LIABILITY CLAUSES

- 20.1 Your attention is specifically drawn to the provisions of the contract of carriage and cruise ticket conditions which follow and which will be attached to and form part of your Cruise Ticket once issued. Those terms and conditions ("Contract of Carriage of passengers to or from South African Ports") can also be found at www.msccruises.co.za.
Your attention is also drawn to the provisions of clause 1.2 and clause 2 of these booking terms and conditions with regard to the applicability, in addition to the terms of the MSC contract of carriage, of any relevant carriage by means of other forms of transport such as Air, Train, Road or River provided by other third party Service Providers (whether in terms of any package, or excursion, or otherwise) which will be undertaken subject to their own terms and conditions of contract or carriage, or will be subject to other domestic or international conventions, legislation or regulations, which may include substantive provisions for the limitation of those carrier's liability.
- 20.2 You must carefully read all of those term and conditions as you will be bound by them once you have booked for the Cruise, paid and the Ticket is issued. What are particularly important are the provisions related to the liability of MSC and to their entitlement to limit that liability. Some of the relevant clauses that affect you are the following and once you have read them and accept those terms and conditions, you will have to check the box as indicated below, to signify that you have done so:
 - 20.2.1 Clause 9 – Luggage on Board a Cruise.
 - 20.2.2 Clauses 12 to 14 – Medical issues and Fitness to Travel.
 - 20.2.3 Clause 19 – MSC's Liability where the Athens Convention and/or EU Regulation 392/2009 does not apply. This will be the liability clause that will generally be effective where a booking has been made in South Africa, for a cruise to or from a South African Port, so if applicable, you need to take careful note of its content and the limitations of liability.
 - 20.2.4 Clause 20 – MSC's Liability where the Athens Convention and/or EU Regulation 392/2009 does apply. This will generally only be the liability clause that will be effective where the booking or contract of carriage has been concluded elsewhere than South Africa (particularly in Europe), or where a port to or from which the cruise will travel has local laws that make that Convention, including its limitation provisions applicable.
 - 20.2.5 Clauses 24 & 25 – These clauses deal with Claims and Notice as well as time limits for filing suit.

20.3 Note that subject to the provisions of clauses 1.2 and 2 hereof, the carriage of passengers and their luggage by air is likely to be governed by various International conventions (“The International air conventions”), including the Warsaw convention 1929 (as amended by The Hague Protocol 1955 or the Montreal Protocol 1999 or otherwise) or the Montreal convention 1999. To the extent that MSC may be liable as a non-performing air carrier to Passengers in respect of carriage by air, the terms of the International air conventions (including any subsequent amendments and any new convention which may be applicable to a contract for a cruise between the company and a Passenger) are expressly incorporated into these conditions. The International air conventions fix limitations of liability of the carrier for death and personal injury, loss of and damage to luggage and delay. any liability of the company toward the Passenger arising from a carriage by air is subject to the limitation of liability provided by said conventions. copies of these conventions are available upon request. Such carriage may also be subject to various EU directives and/or regulations of other member states of the European Union.
